

Reiki II Workshop and Attunement

Saturday, May 8th 2010
1:00 pm – 6:00 pm

Ann Baldwin, PhD, Physiologist and Usui Reiki Master

Take your Reiki skills up to the next level and learn:

- Distance healing
- Hand positions to address specific disorders
- Byosen scanning
- Healing with breath
- Healing with eyes

Dr. Baldwin will also show you how to use special heart rate sensors to visualize your heart rhythm on a computer screen and see how Reiki balances your autonomic nervous system

Cost: \$150 (includes Reiki II manual and certificate)

Class is limited to 4 participants

To register (required), contact Ann Baldwin at (520) 795-4048 or via email:
